Subject: Unnat Bharat Abhiyan Cell, STC, Shegaon.

Unnat Bharat Abhiyan (UBA) is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an inclusive India. The aim is to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

The UBA Cell of STC Shegaon consists of an inter-disciplinary team of faculty members and staff. We have identified a few villages around our campus and have chosen to work on select themes to develop these clusters as model villages.

NOTICE

'Lifestyle for the Environment (LiFE)' was introduced by Honorable Prime Minister Narendra Modi at COP26 in Glasgow, Scotland, on November 1, 2021, calling upon the global community of individuals and institutions to drive Life as an international mass movement towards "mindful and deliberate utilization, instead of mindless and destructive consumption," to protect and preserve the environment.

The idea promotes an environmentally conscious lifestyle that focuses on 'mindful and deliberate utilization' instead of 'mindless and wasteful consumption' is lifestyle for the environment initiative. From water-efficient utensil/clothes washing practices to dietary preferences for plant-based foods to adaptive architectural forms that minimize electricity consumption, several elements of Indian lifestyle can serve as foundations Lifestyle for the Environment (LiFE).

On the occasion of World Environment Day, **all students and staff of Siddhivinayak Technical Campus Shegaon** are hereby informed to take a pledge to conserve, protect, and care for the planet through LIFE (Life for Environment).

Please click the following link, press Take Pledge, enter basic details, proceed to language selection, read the pledge, and click on the submit button. Then click on Send certificate by email.
